

USS NAUTILUS 2022 REUNION UPDATE

MARCH 29, 2022

Dear Crew Members, NAAI Members, and Families,

We are all looking forward to our Nautilus Reunion. Much time has passed since the last one and it has been difficult for us not to be together and enjoy each other's company. The reunion planning is in full swing and nearly complete. It is our wish that you can join us in Groton July 2022.

The Nautilus has been taken to Electric Boat (EB) for her much needed reconditioning. We have been informed that the boat may or may not be back to the museum as we had hoped in time for our gathering. In the event that she is not back we are trying to work out a way to see her at EB.

Nautilus is important to all of us, both crew and family, because we are all members of the greater family of Nautilus. The Nautilus, as you well know, represents a turning point in the history of the human race. Therefore, our presence in Groton is important to strengthen all of our memories and carry on the legacy of Historic Ship Nautilus (SSN-571), a submarine that changed the world.

See you there!

Robert D. Childs
NAAI President

Pat Anderson - Scholarship Chairperson

March 15, 2022, was the deadline for students applying for a Nautilus scholarship for the 2022-2023 collage academic year. I look forward to announcing in the next newsletter the number of applicants that completed the application process as well as the number and amount of scholarships our fully-funded Nautilus Education Assistance Fund will award this year. The evaluation of the applications, always conducted under the auspices of the Dolphin Scholarship Foundation, will be completed in May and the awardees will be announced at that time. We wish each and every applicant all the best.

What an amazing collection of memories over the life of *The First And The Finest*. Thanks to the members and the Museum and OIC Lt. Commander Sutton for your contributions and keeping us current and up to date as the Nautilus is in dry dock for reconditioning. The videos are amazing. Please continue to encourage your shipmates and families to join. They are missing out on a lot of history. If you want to join please send me an email requesting to join: wandasells46@gmail.com and I will send you an invitation.
